Training Support & Student Commitment

Distance Training:

For full qualification programs, we offer this to be completed in a timeframe of between 6-24 months in duration, where assessments are due either monthly, bi-monthly or quarterly unless negotiated by exception with your trainer. Your trainer will discuss the pace at which you wish to complete your training during your induction session and provide your assessment due dates. It is a requirement of enrolment that reasonable progress is to be made to complete the required assessments on time. It is fine to switch between either options should your circumstance change, however, missed assessment due dates (where an extension has not been requested) may result in your trainer discussing a training suspension. Your trainer will provide details of their regular web-tutorial sessions and encourage you to participate in these or listen to the provided recorded versions at a time convenient to you.

Direct email support from your trainer is also available, however, some trainers are part-time and not available everyday – they will confirm their availability and response times during your induction session and you may contact our Student Support services outside this availability by calling 07 3493 0777.

Classroom Training:

It is a requirement of enrolment that all assessment work be completed within 6 months of the completion of the classroom delivery program, or cancellation of enrolment may apply.

RPL Assessment:

It is a requirement of RPL assessment enrolment that all evidence be provided within 90 days of the completion of your competency conversation with your trainer, or cancellation of enrolment may apply. Where training is suspended, a \$250 re-enrolment fee will occur.

Resubmission Policy

Traxion Training does not charge a resubmission fee for the first resubmission, however, should subsequent resubmission occur a fee of \$50 per unit will apply.

Transfer Policy

Transfer of training programs or classroom training dates must be advised in writing at least 14 days prior to the commencement of the first scheduled training session. Transfers made after that date may be subject to a penalty charge of \$100.
