

JOB TRAINER FUND PRICING FACT SHEET

WHAT IS JOB TRAINER FUND?

The JobTrainer Fund supports jobseekers, school leavers and young people to access the skills and training they need to find work, re-enter the labour market or explore new work opportunities available as Queensland’s economy recovers. The JobTrainer Fund will operate as a component of Queensland’s existing vocational education and training (VET) investment programs, and will provide access to additional training opportunities that complement the training already available for the target student cohort.

Short courses and lower level qualifications (up to a certificate III level) are fully funded by the Queensland Government, with eligible students required to pay no fee.

Higher level qualifications (certificate IV and higher) will be funded at higher concessional subsidies, with eligible students required to pay a low fee.

STUDENT CO-CONTRIBUTION FEE

As part of the JobTrainer Fund program, a student co-contribution fee must be collected. This fee can be paid by the student themselves or on behalf of the student by a third party. The applicable fee is paid upon enrolment and is the final & only fee the student must pay. Co-contribution fees are not payable for units that are awarded a Credit Transfer. If you are awarded a Credit Transfer, you will be refunded the co-contribution fee paid for that unit.
